## THE MELGES 24 \* THE ONE AND ONLY

The Melges 24™ is the most successful, one design, high-performance sportboat in the world. A simplistic, rocket-like approach to speed and world-class competition makes it the ultimate racer. It flaunts innovative components such as a carbon fiber spar, rudder, bowsprit and a unique retractable keel, designed specifically for easy traveling. With nearly 1,000 boats sold worldwide, it is well-supported by an organized International Class Association coordinating presence in the U.S. and throughout more than 20 European and Asian countries.
